

SINGAPORE MICROCOMPUTER SOCIETY

Committee Minutes

29th November, 1979

Minutes of discussions at the meeting on Wednesday 28th November, and discussed by phone.

1. Jack proposed that Graham Sealey who is a consultant on loan to SISIR from the DSIR New Zealand be asked to give a lecture on microcomputers to follow our formal meeting on 12th December, 1979. Agreed.

2. Agreed that the committee should be as well informed as possible about the local scene, and the following have agreed to act as conveners pro tem of subcommittees as follows :-

Learning & teaching facilities	- Dr. Benard Tan
	- Dr. Chen Mun
Personal & Hobby Computers	- David Steele
Microprocessor applications	- Dr. Jim Poo
Business applications	- Ernie Cockran

Please pass on any information under these categories to these people respectively.
